Subject(s)

FOM 722-03E, Placement Exception Requests and Approvals

**Siblings Placed
Apart**

A new approval process is required for siblings placed apart. The approval path for Michigan Department of Health and Human Services (MDHHS) supervised cases and the approval path for Placement Agency Foster Care (PAFC) supervised cases now includes the approval of the MDHHS county director or designee.

Reason: Dwayne B. v. Whitmer

**Placement of an
Abuse/Neglect
Ward into a
Juvenile Justice
Residential
Program**

The approval path for MDHHS supervised cases and the approval path for PAFC supervised cases now includes the Michigan Children's Institute (MCI) superintendent's review for MCI wards.

Reason: Recommendation from the MCI Superintendent.
